The maximum number of CME credits an attendee can earn at the virtual event is 32 credits. The maximum number of CME credits an attendee can earn at the in-person event is 33.5 credits. 8 for the Addiction Psychopharmacology Pre-Conference (Virtual and In-Person). 24 for the Psychopharmacology Update (Virtual and In-Person). 1.5 for the Piano Concert and Lecture by Dr. Richard Kogan (In-Person Only)

Welcome Back!

We are excited to welcome you back in-person and online for the 28th National Psychopharmacology Update in Las Vegas, scheduled for February 15-18, 2023. We are thrilled to announce that we will be offering a hybrid meeting in 2023 with the opportunity to attend both online and in-person. The meeting will also be recorded and available for all attendees to view on-demand and continue to earn CME for 90 days after the event.

While the virtual option does exist, we highly encourage our attendees to come to the in-person meeting. With exclusive in-person benefits, such as a showcase of our industry's leaders of products and services through our exhibit hall, engaging product theater programs, delicious hot breakfast and lunch offerings, and a fantastic live musical performance and lecture by Dr. Richard Kogan worth an additional 1.5 CME, our in-person meeting will be one you do not want to miss!

We certainly hope we will see you all at the Paris Las Vegas in February of 2023.

Kathryn Regal

Conference Manager
Nevada Psychiatric Association

About the conference

The NPA Psychopharmacology Update is one of the nation's largest conferences in the field, providing comprehensive state-of-the-art information on the psychopharmacological treatment of psychiatric disorders most commonly encountered in clinical practice.

The four-day conference attracts more than 1,600 mental health clinicians from across the United States, Canada and abroad, as well as a wide range of exhibitors showcasing leading products and services.

The conference is presented by the Nevada Psychiatric Association, an official district branch of the American Psychiatric Association.

Who should attend

Join your colleagues at the 28th Annual National Psychopharmacology Update:

- Psychiatrists
- Nurse Practitioners
- Primary Care Physicians
- Psychiatric Nurses
- Psychologists
- Physician Assistants
- Therapists

Other healthcare professionals who treat patients with mental health disorders should contact their local licensing and certification boards to determine if the conference meets their continuing education requirements.

CME Accreditation and Designation

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint providership of the University of Nevada, Reno School of Medicine and the Nevada Psychiatric Association. The University of Nevada, Reno School of Medicine is accredited by the ACCME to provide continuing medical education to physicians.

Physicians: The University of Nevada, Reno School of Medicine is accredited by the ACCME to provide continuing medical education to physicians. This activity was designated for 33.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: Nurses may participate in this educational activity as ANCC accepts AMA PRA Category 1 Credits™ through its reciprocity agreement. The University of Nevada, Reno School of Medicine designates this live activity for a maximum of 33.50 AMA PRA Category 1 Credits™.

The American Board of Psychiatry and Neurology has reviewed the National Psychopharmacology Update and has approved this activity as a part of a comprehensive self-assessment activity, which is mandated by the ABMS as a necessary component of continuing certification.
