ABOUT THE CONFERENCE

The NPA Psychopharmacology Update is one of the nation's largest conferences in the field, providing comprehensive state-of-the-art information on the psychopharmacological treatment of psychiatric disorders most commonly encountered in clinical practice.

The four-day conference attracts more than 1,900 mental health clinicians from across the United States, Canada and abroad, as well as a wide range of exhibitors showcasing leading products and services.

The conference is presented by the Nevada Psychiatric Association, an official district branch of the American Psychiatric Association.

CME ACCREDITATION AND DESIGNATION

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint providership of the University of Nevada, Reno School of Medicine and the Nevada Psychiatric Association. The University of Nevada, Reno School of Medicine is accredited by the ACCME to provide continuing medical education to physicians.

The American Board of Psychiatry and Neurology has reviewed the National Psychopharmacology Update and has approved this activity as a part of a comprehensive self-assessment activity, which is mandated by the ABMS as a necessary component of continuing certification.

WHO SHOULD ATTEND

Join your colleagues at the 32nd Annual National Psychopharmacology Update:

- Psychiatrists
- Primary Care Physicians
- Physician Assistants
- Nurse Practitioners
- Psychiatric Nurses
- Psychologists
- Therapists

Other healthcare professionals who treat patients with mental health disorders should contact their local licensing and certification boards to determine if the conference meets their continuing education requirements.

Physicians: The University of Nevada, Reno School of Medicine designates this live activity for a maximum of *33.50 AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: Nurses may receive continuing education credit for this educational activity as the ANCC accepts *AMA PRA Category 1 Credits™* through its reciprocity agreement. The University of Nevada, Reno School of Medicine designates this live activity for a maximum of *33.50 AMA PRA Category 1 Credits™*.

The American Board of Psychiatry and Neurology has reviewed the National Psychopharmacology Update and has approved this activity as a part of a comprehensive self-assessment activity, which is mandated by the ABMS as a necessary component of continuing certification.
